

LIVING STONES

REBUILDING COMMON LAW DEMOCRACY

‘PARTY POLITICS’ IS NOT FIT FOR PURPOSE

At LIVINGSTONES UK we are looking for men and women of good local reputation, of sound mind and of a reasonable educational standard, who are willing to stand, at the next General Election, as ‘INDEPENDENT’ candidates.

Listed below are some proposed points for a national manifesto.

	BREXIT - Leave the European Union NOW. The UK needs honest leadership NOW!
	Root and branch reform of the NHS - remove PFI, revise Purchasing, abolish Parking fees
	Social Care & Mental Health - benefits for ‘contributors’ only
	Welfare & Disability - Review government policy and spending
	Immigration - Points-based system - 5-year ‘freeze’ 10-year residency qualification
	Housing - UK citizens first - local control on new-build sites
	Education & Training - new Grammar Schools programme, vocational training
	Transport - We will scrap the unnecessary HS2 project
	Stop ‘Foreign Aid’ - give 90% of funds saved to support NHS and ‘rough sleepers’.
	National Defence & Security - Withdraw from PESCO and raise Treasury input by 2% of GDP
	Support for UK Veterans - Redeployment, accommodation & tax exemption
	Police Service - Full review on recruitment, function and wage structure
	Ditch the European Court of Justice, European Arrest Warrant and reinstate ‘habeas corpus’.
	Prison Service - New-build and payment structure - separate custody for political convictions
	We will dispense with the CAP and the EU fishing rulings - Treasury support for both industries

LIVING STONES

REBUILDING COMMON LAW DEMOCRACY

	Economy & Trade - WTO rules post-BREXIT, review Income Tax and National Insurance criteria
	Tackle the National Debt by re-introducing the Bradbury Pound ex Treasury
	Industry - develop new businesses by offering Treasury support via HS2 savings
	Energy - Promote nuclear development on brownfield sites, remove 5% VAT on domestic bills
	Environment - Flood protection work, preserve Green Belt land, tax on plastic packaging
	Small Businesses - lower Business Rates, freeze Insurance Premium Tax - free short-term parking
	Taxation - Raise personal threshold, scrap Inheritance Tax, abolish Stamp Duty and more
	Children & Families - Support two-parent families, limit 'Family Courts' and state intervention.
	Re-introduce the death penalty for sexual violation with murder.
	Paedophilia - Full enquiry with emphasis on historical failure by local and police authorities
	Re-introduce the death penalty for unprovoked slaughter of unarmed citizens
	Islamic separatism - close sharia courts, close mosques which promote 'child marriage'
	A new UK Constitution to be applied by a Constitutional Court under Common Law
	Animal Welfare - un-stunned slaughter will be a criminal offence, ban veal production
	Free Speech - Repeal the Public Space Protection Orders 2014 and the Equality Act 2010
	Expenditure Savings - The National Debt (currently around 86% of GDP) will be addressed

Our manifesto can also include up to **FIVE** other issues of importance in **YOUR** own area.
